ABOUT PROGRESS

The progress charts summarize aggregate performance of students for AR against the backdrop of the ACT Readiness Levels.

Gray circles plot average (mean) scores for current students who also have a prior year test score. If gray circles are not shown, prior year scores are unavailable.

Based on all current students, the orange circles plot current year average scores and projected average scores for future ACT Aspire assessments. When grade 9 or 10 is tested, projected scores for the ACT College Readiness Assessment are presented.

Score projections are based on expected growth rates.
